

CHECK IBAN

BROADENS OPEN FINANCE'S HORIZON

Discover the new routes to verify bank accounts:
manage takings and payments by accelerating
time and reducing costs.

TOUCH DOWN ON CHECK IBAN, DISCOVER A WORLD OF ADVANTAGES!

Are you a telco, a utility, a lending company or a public entity enrolled in pagoPA?

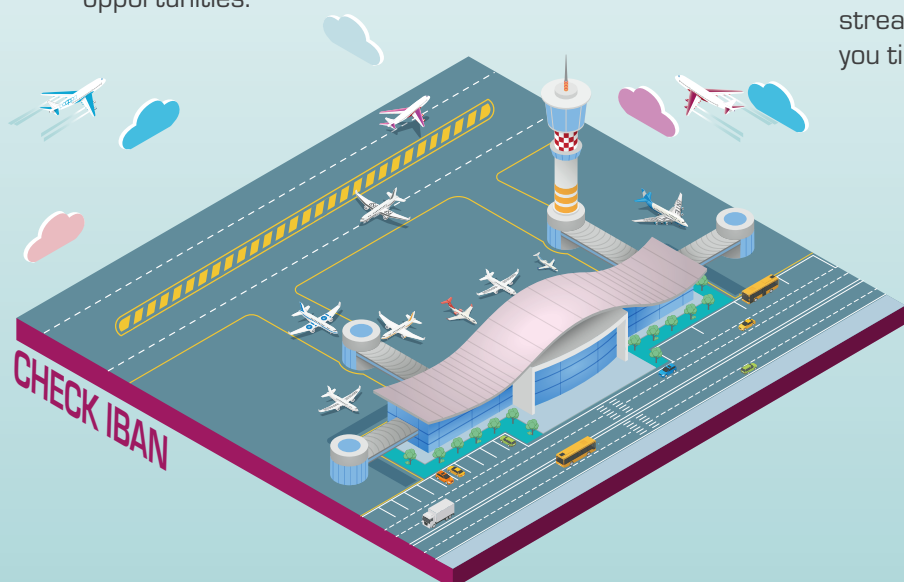

Now you can use Check IBAN to instantly verify whether the IBAN is correctly associated with the tax code/VAT number of the account holder (natural person or legal entity). Thanks to our vast network of PSPs, we can provide you with immediate feedback that can open the door to great opportunities.

EXPLORE CHECK IBAN, DISCOVER A WEALTH OF OPPORTUNITIES.

Check IBAN expands your range of services and improves your business by enabling your customers to fly high by providing an innovative and easy-to-use service.

In addition, the latent data already in your possession become useful again with Check IBAN.

Not to mention that previously time-consuming and resource-intensive verification processes can now be drastically reduced with Check IBAN, streamlining your internal processes and saving you time and money.
